ROUTE
EDUCATIONAL & SOCIAL SCIENCE JOURNAL

Editor's Note

This issue of RESSJOURNAL consists of the scientific studies prepared in interdisciplinary fields. The objective of RESSJOURNAL is to share distinctive, original and high-quality scientific publications with our distinguished readers and to present them for the benefit of the interested people. The journal fulfills the criteria for academic appointment and incentives and has been published regularly since 2014.

We would like to express gratitude to the colleagues, authors, referees and members of the editorial board who made scientific and academic contributions to the journal, and we are anticipating their future contributions.
